Dear Mr. Fredback,

Thank you again for taking the time to review the Open Meeting Law question that the City forwarded to you. I appreciate your willingness to look at the issue on behalf of both the City and Bellevue residents.

I have reviewed your findings and I will be more mindful going forward about how even one-way requests for information may be perceived in the context of Idaho's Open Meeting Law.

For transparency, the email in question — like many of my communications — has been public record from the beginning. It has been posted on my website, shared with media outlets, and included in my resident newsletter. I have also requested that an Agenda Item be added to the April 13th City Council meeting so the matter can be addressed openly and constructively.

I share your commitment to ensuring that Idaho's Open Meeting Laws are upheld and that Bellevue's public business is conducted with full transparency and resident engagement. Thank you again for your time and guidance.

Sincerely,

Suzanne
